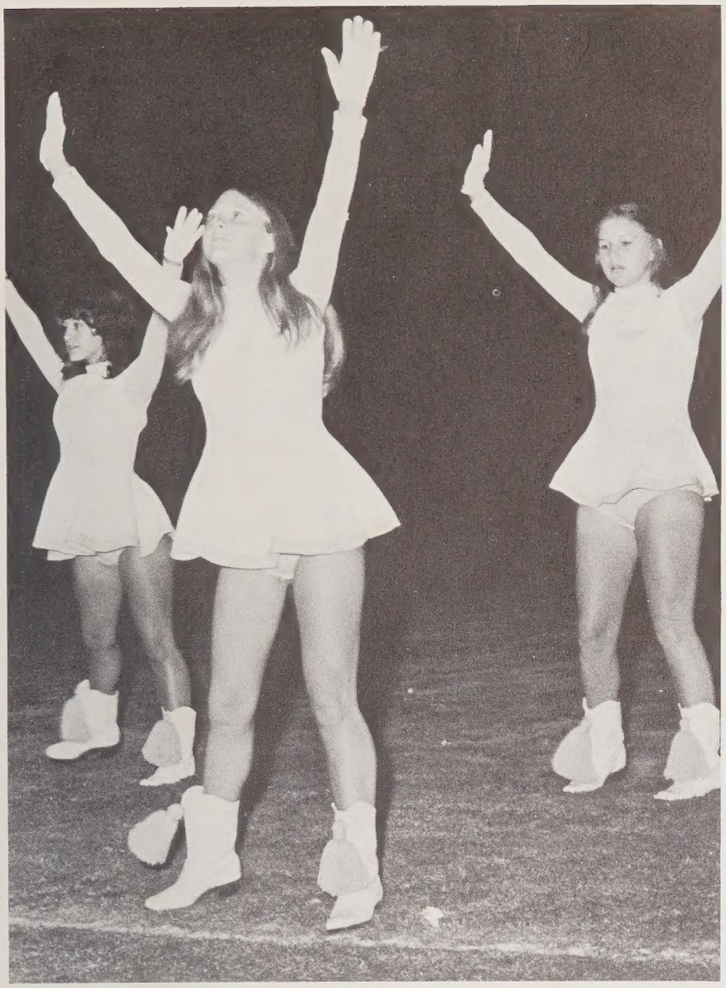
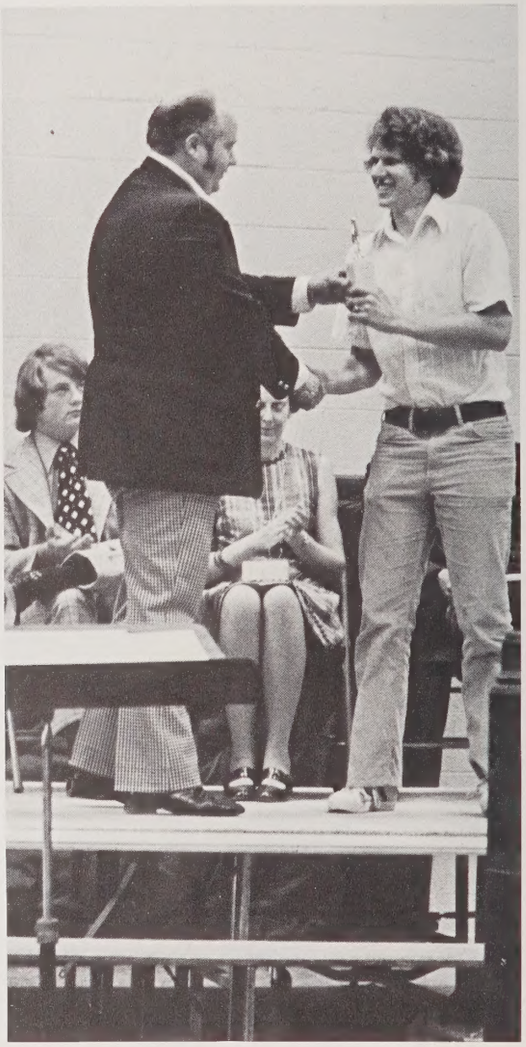
What's Happening at P.S.H.S



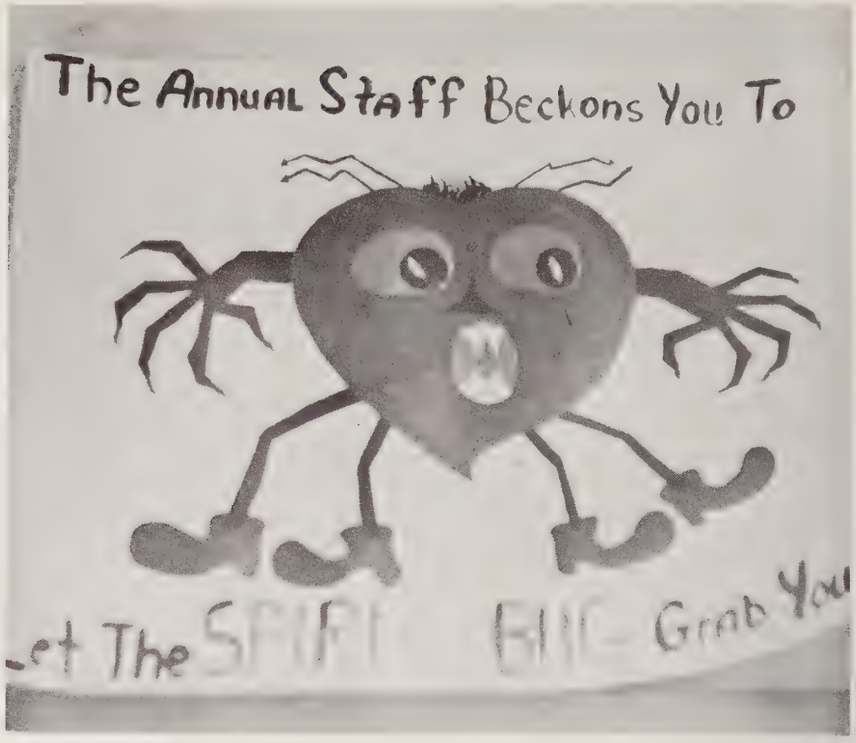
There have been some strange happenings in the halls of P.S.H.S. including the hair-styleing exhibit shown in the far upper left. Many students have turned into pranksters such as B. Morgan and his assistant. (far lower left.) (lower Middle) Our hard working Drama students continue in their search for Knowledge as they present TOM PAINE, a play about a "radical". Two new groups formed at P.S.H.A were the Drill Team and the Girls Track Team. Many girls have put forth a lot of effort and used a lot of time to further these teams.

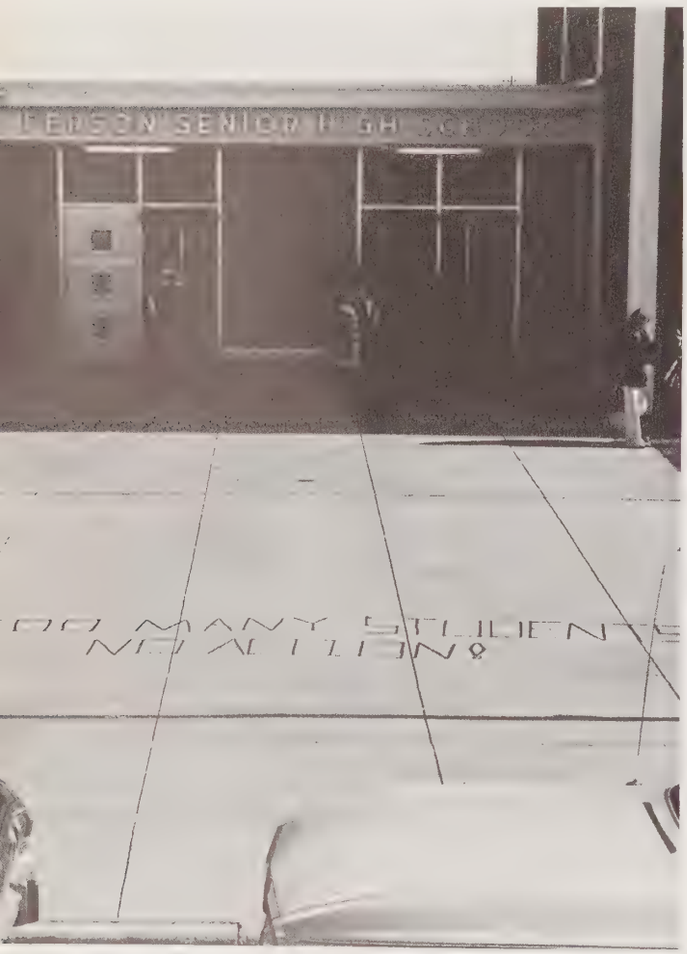
Express Yourself

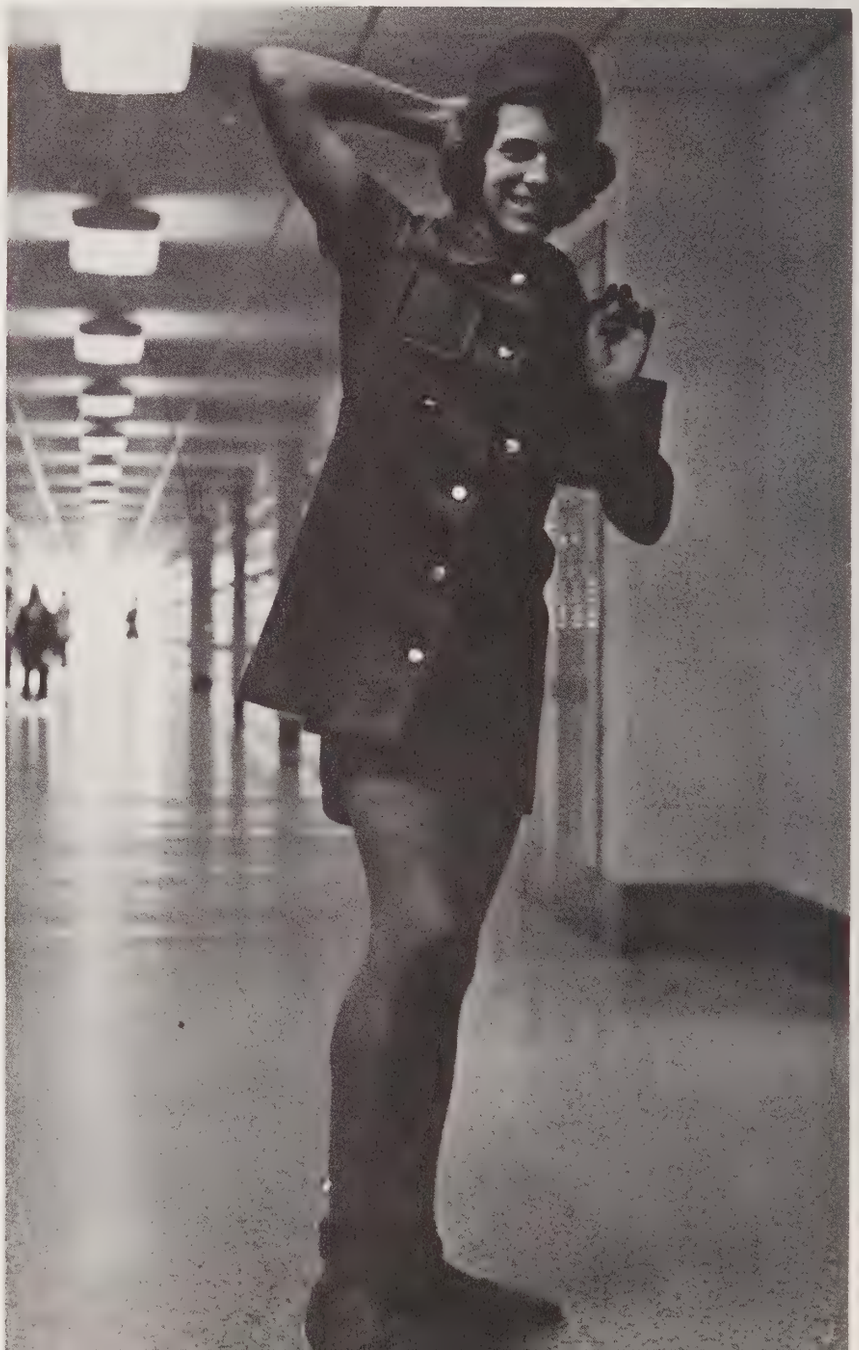


YEARLIFE 74

All those students at Person Senior High but not enough action. Get into the groove with Bob Gates, and let the "Spirit Bug" grab you! Get involved — kick off your shoes!







There are many unique happenings at Person Senior High — the tea party, the fabulous fifties, and even Mary Poppins (Paula Gentry) flew in for student election week.

Spirit Week really becomes a challenge for students at Person Senior High as Cordelia Lawson and Elmo Clayton advertize themselves on tramp day! The Baby Rocket Girls really get a laugh on Mr. Brown. As usual, he's looking the wrong way. Top Right: Brace yourself Debbie, I think you've got it.

SPIRIT OF 74

On the weekend of homecoming everyone participates in a different way, as our work crew sets the scenery, our lively drill team girls perform, and the band plays on.

HOME

"Fantasy World" presents our homecoming attendants at Person Senior High. "Mirror, Mirror, on the wall, who's the fairest of them all", is the big question of the night as each princess is escorted by her handsome prince. (Top left, Vickie Debnam, Kim Thomas; top right, Sharon Slaughter, Frank Ramsey; bottom left, Brenda Bailey, Larry Scott; bottom right, Lyn Dixon, and Mark Rogers).

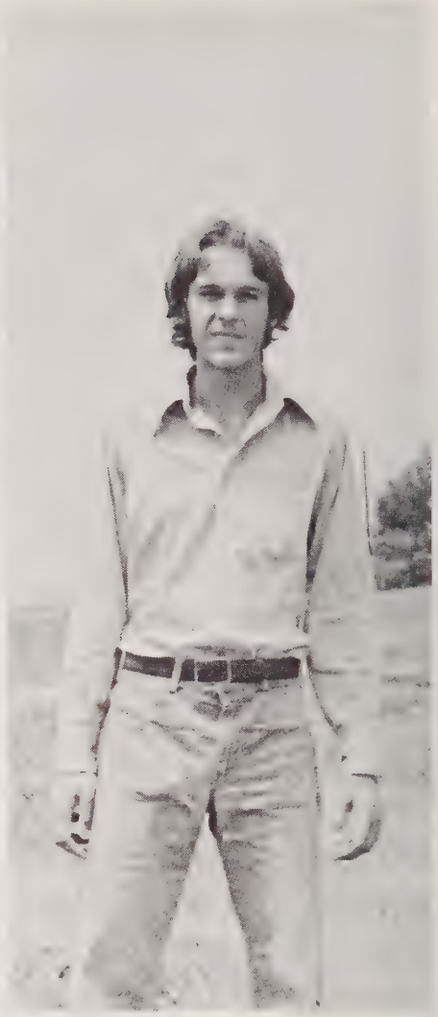
COMING 74

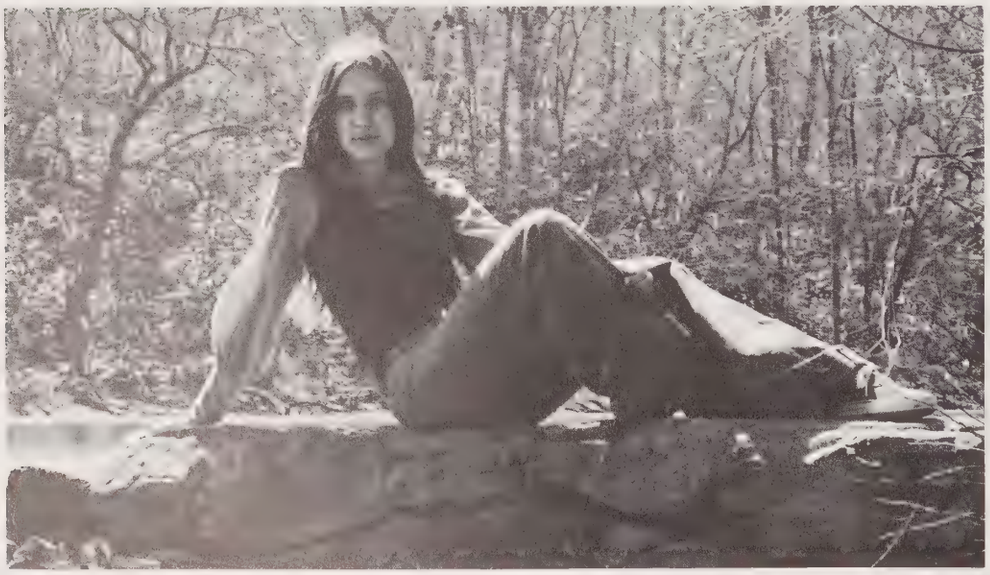
On this specific night, our senior homecoming attendants proudly step from their draw bridge of success.

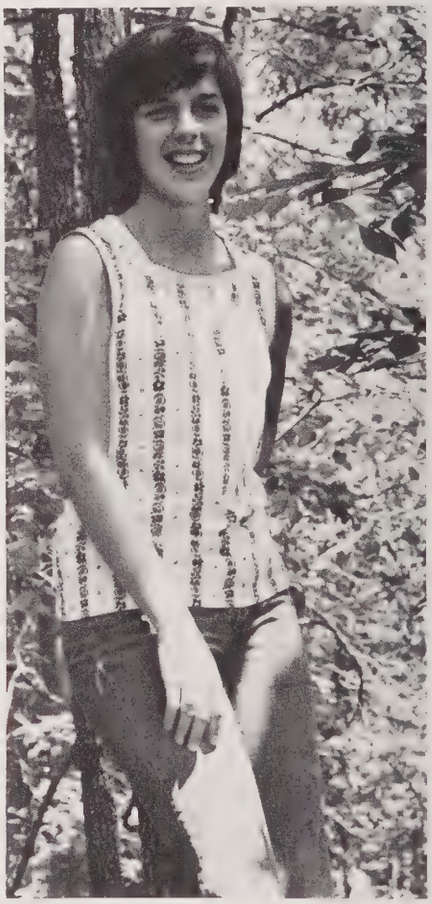
Top left; Vickie Averette, Rick Bavec, bottom left; Felecia Hill, Tim O'Briant, middle; Janet McDowell, and Henry Holding.

OUTSTANDING SENIORS

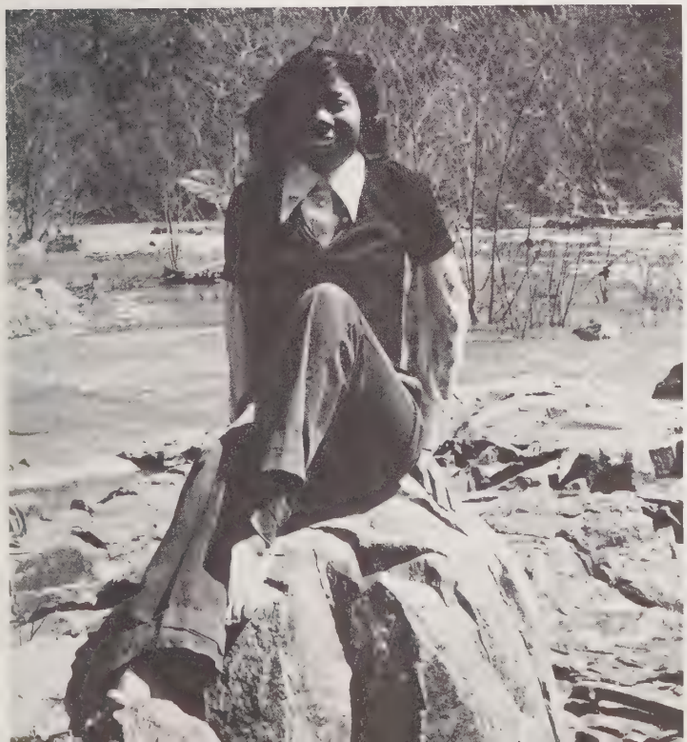
Person Senior High's outstanding Seniors are: Montine Barnette, Mike Edens, Sherree Suitt, Windy Daniel, Willis Parker, and Kassie Allen.







Concluding the list of outstanding seniors are: Stuart Hicks, Stacey Lunsford, Lucia Burton, Paula Gentry, Cassandra Clayton, and Doris Clayton.



JR-SR 74

"We've Only Just Begun" is whats' happening during 1974's Junior -Senior as everybody puts mind, body, and soul into a great night!

Holland becomes a real smash at Person Senior High as the windmill, the trees, and the flowers bring a treasured happiness to those attending. Even the Dutch maids become intriged as they run from table to table to please their honorable elders.

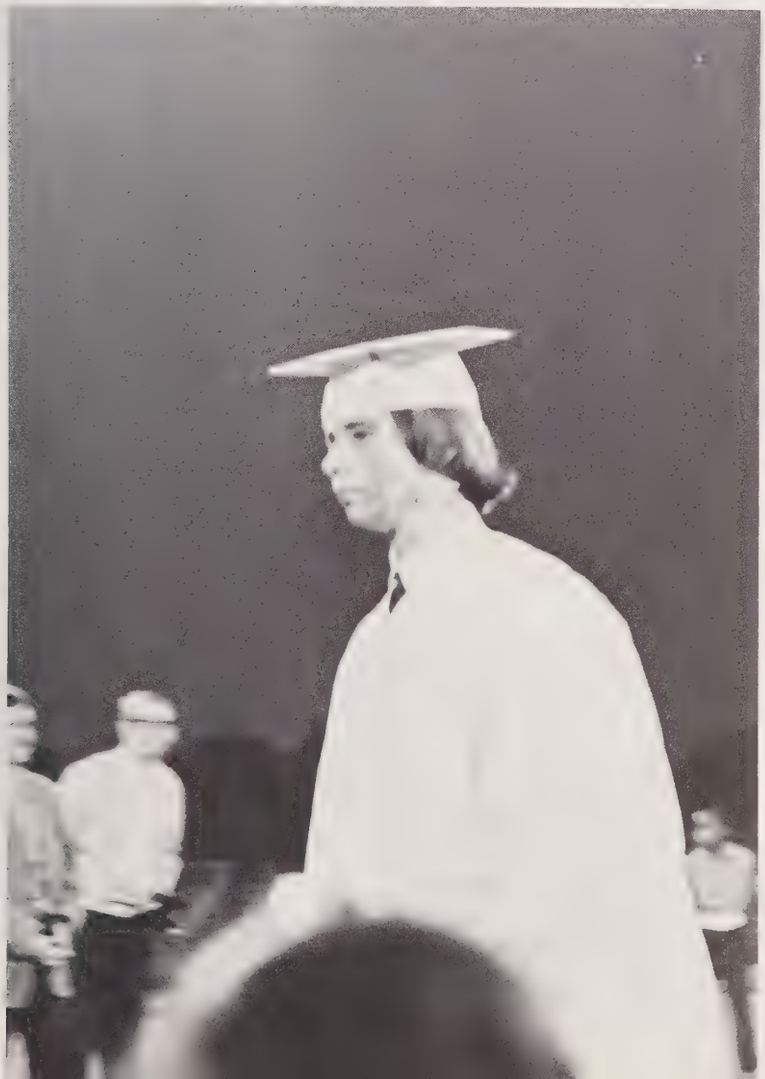
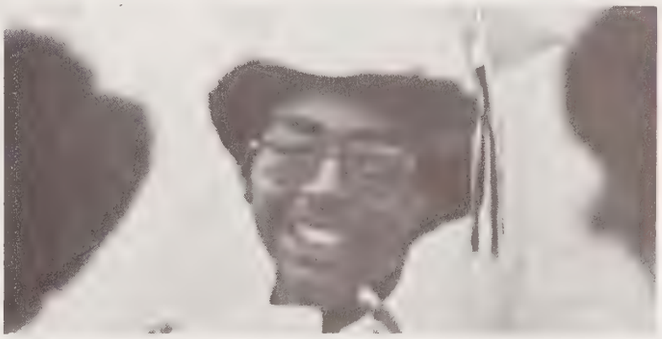
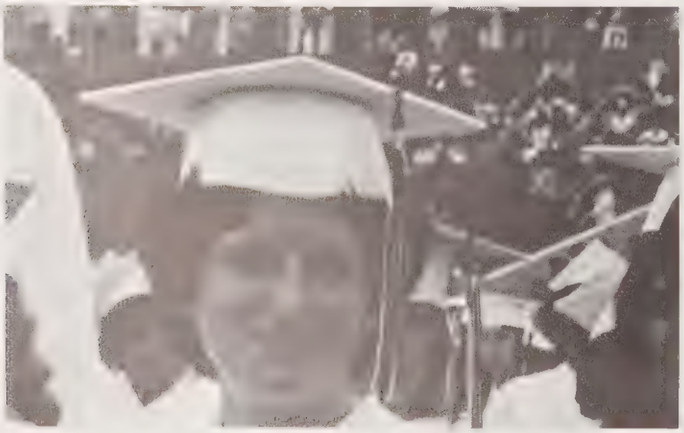
GRADUATION 74





Graduation meant the last time for a number of things. Playing in the band was one of the things. There was fun envolved along with a little seriousness. Then the final moment . . . walking across the stage.

The anticipation of Graduation. The year was behind us. Now the moment that makes our lives begin. David and Garland look like they are ready. Good Luck Seniors.



Everyone was excited. There was a new and wild world waiting. Some were very ready to go.

JUNIOR MISS

There's not one but sixteen winners as each young lady becomes herself and entertains our audience with laughter and appeal. Contestants were: Paula Gentry, 2nd runner up; Anita Hurley; Felicia Hill; Sherree Suitt; Cassandra Clayton, 1st runner-up; Dale Ashley; Paige Burnett; Laura Woody; Montine Barnette; Debbie Mitchell, 3rd runner-up and Miss Congeniality; Kassie Allen; Darlene Shaw; Lyn Whiteman; Theresa Murray; Molly Ancelin; and Stacey Lunsford, our Roxboro Junior Miss, was presented the Scholastic Award. Later at Durham High School, Stacey achieved the honor of North Carolina's Junior Miss for 1974.

Three of the busiest secretaries you will ever see are Mrs. Puryear, Mrs. Harris, and Mrs. Jones.

Though humbled now disheartened and distressed
With much more to do and much more to quest
But when I'm admitted to the peaceful ground
With happiness and wonders still abound
With the herots kings and conquerors I shall rest
Shall sleep as safely and perhaps as sound.
